

Declaration on REACH

FireAngel Safety Technology Limited hereby declares that all smoke, heat, carbon monoxide alarms and applicable ancillary equipment:

Comply with the Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) of 18 December 2006.

The above mentioned devices are imported into the EU as finished articles and not intended to release a substance under normal or reasonably foreseeable conditions of use. An obligation for the registration of substances does not exist.

To the best of our knowledge and according to the information of our suppliers the above mentioned devices and their packaging contain no substances on the candidate list according to Article 59 (1 , 10) of the REACH regulation in concentrations above 0.1 o/o w/w. (version 0120.06.2011, European Chemicals Agency (ECHA) <http://echa.europa.eu>)

FireAngel Safety Technology Limited will continue to monitor the list of SVHCs and undertake to inform our customers of any changes to the status of this declaration

Coventry, UK, July 2018.
