

REACH RoHS Declaration

2016-01-01

REACH – Regulation (EC) No 1907/2006 of European Parliament and of the Council of 18th December 2006 concerning the registration, evaluation, authorization and restriction of chemicals

All substances being used as themselves or being used as a part of recipes which might have impact for our deliveries to our customers will be according to the requirements of the REACH edict from our company or from our suppliers pre-registered and later on registered.

The products must not contain any of the substances of:

the REACH candidate list in concentrations of more than 0.1% (w/w)

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_en.asp

the REACH annex XIV in concentrations of more than 0.1% (w/w)

the REACH annex XVII in concentrations exceeding the defined limits or for uses as described in this annex.

RoHS (2011/65/EU) Annex II

Regardless of the scope of the RoHS, the products must not contain any of the substances of the RoHS (2011/65/EU) Annex II in concentrations exceeding the defined limits and taking into account any exempted applications as defined in Annex III and Annex IV. If any exemption of the RoHS applies, we as are required to inform our retailers and customers about this exemption.

We, Fleximark AB, hereby confirm to comply with the current REACH candidate list, Reach Annexes and RoHS Annexes.

We also confirm that none of our products delivered from Fleximark AB are affected by the above mentioned regulations (REACH and RoHS).
