

REACH Substance of Very High Concern (SVHC) Document

SVHC_69011-06-9_TE
Issue 3 - 30 Aug 2016
Page 1 of 1

Information regarding materials present in TE products is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information provided by our suppliers. Information regarding risks associated with the SVHC contained in this type of product is based on 1) the intended use(s) of this type of product; 2) TE's current understanding of health and environmental risks associated with such use(s), obtained from information provided by the regulatory bodies as of the date this document was prepared; 3) certain assumptions regarding normal and expected exposure pathways and the frequency and extent of the exposure encountered during use of this type of product. This information is subject to change.

The following information is provided in accordance with Article 33 of the REACH Regulation (EC) No. 1907/2006

Company

for SVHC concentration information

Usage

[Phthalato(2-)]dioxotrilead is contained in the plastic layer of heat shrinkable joints and mouldings as stabilizer.

Handling Instructions

The presence of [Phthalato(2-)]dioxotrilead in TE products does not present health risks from normal handling in accordance with good industrial hygiene practices: do not consume food or drink while handling the products; wash hands after working with the products. No other special handling techniques are required when working with the [Phthalato(2-)]dioxotrilead containing product besides the handling instructions in Safety Data Sheet. Use the product as recommended per the applicable product specification. No risk to health when used in accordance with TE product installation instructions. For further details, please refer to "**Health and Safety Information about the Installation of heat-shrinkable MV Joints and Terminations**" and **Safety Data Sheet**.

Disposal Instructions

Dispose of the article by following all of the applicable governmental regulations that are relevant to your geographic location.
