## Environmental Product Compliance Search

Dear Sir or Madam,

Thank you for your inquiry regarding RoHS 2011/65/EU (incl. 2015/863/EU) and REACH (EC) No. 1907/2006.

The topic of sustainable products is becoming more and more important. To meet the requirements even better, you can now quickly retrieve declarations on RoHS/REACH via the freely accessible [Environmental Product Compliance Search](#). The database can be accessed on our WAGO homepage in the Downloads section ([link](#)).

Are you registered with BOMcheck? Then you will continue to receive declarations via BOMcheck ([www.bomcheck.net](http://www.bomcheck.net)).

We are convinced that the communication via centralized web database must be the future in this area and look forward to further good cooperation with you.

Best regards
